

Logan Planning Scheme 2015 - Register of Amendments

Adopted and commenced

The amendments in this list have been adopted since the commencement of the Logan Planning Scheme 2015 on 18 May 2015. This information is also available in the Logan Planning Scheme Appendix 2, Table of Amendments.

Amendment Title	Category	Purpose	Adopted	Commenced	Comments
Health Care Service Amendment	Major	To introduce a new development code to regulate Health care services providing particular guidance on location, design and amenity. The code will also include focused provisions that seek to regulate pharmacotherapy clinics with respect to location, separation distances, indoor waiting area size and mechanical surveillance.	25 January 2023	6 February 2023	In Logan Planning Scheme v9.0
Housing and Lot Diversity Amendment	Major	To align the requirements for reconfiguring a lot with community expectations through changes in lot size and frontage requirements while also establishing lot frontage diversity requirements for larger scale residential developments.	25 January 2023	6 February 2023	In Logan Planning Scheme v9.0
Major Planning Scheme Amendment 2021	Major	To make various major changes to multiple sections of the planning scheme and planning scheme policies. The amendment specifically introduces policy measures to: (a) ensure Childcare centres are appropriately designed and located; (b) better guide the storage and collection of waste; (c) safeguard and enrich amenity in both residential and non-residential settings; (d) make a range of miscellaneous policy changes.	25 January 2023	6 February 2023	In Logan Planning Scheme v9.0

Amendment Title	Category	Purpose	Adopted	Commenced	Comments
Mixed Use Zone Amendment	Major	To implement Council's vision and strategy for employment land in Logan. The amendment specifically seeks to introduce four precincts within the Mixed use zone, identify preferred land uses for each new precinct and optimise the zoning of industrial land.	25 January 2023	6 February 2023	In Logan Planning Scheme v9.0
Administrative Amendment 2021	Minor and administrative	To make administrative amendments which correct spelling, grammatical or mapping errors, address redundant or outdated terms or links, correct inconsistencies in numbering or references.	25 January 2023	6 February 2023	In Logan Planning Scheme v9.0
Local Government Infrastructure Plan Interim Amendment (LGIP v1.2)	Interim LGIP	To update existing and projected demand in service catchments, update the estimated timing and costs associated with land acquisition and works for stormwater infrastructure and roads (including the new Nestor Drive extension in Meadowbrook), and add and remove some stormwater detention basins from the schedules of works.	6 December 2021	15 February 2022	In Logan Planning Scheme v8.1
Unlocking Logan's Prosperity (ULP) Amendment	Major	To make a series of changes to provide certainty for specific industries, create opportunities for business, reduce red tape and respond to growth in a sustainable way. The amendment establishes criteria for new centres in emerging communities and outlines a clear vision for industrial developments.	16 September 2020	16 November 2020	In Logan Planning Scheme v8.0
Minor, Administrative and Cadastre 2020 Amendment	Minor and administrative	To make minor and administrative changes and to update property boundaries to align with the State Digital Cadastral Database (December 2019) and reflect development approvals.	2 November 2020	16 November 2020	In Logan Planning Scheme v8.0

Amendment Title	Category	Purpose	Adopted	Commenced	Comments
Administrative LGIP Mapping (Cadastre 2020) Amendment	Administrative LGIP	To update the Local Government Infrastructure Plan (LGIP) maps to align with the State Digital Cadastral Database (December 2019).	2 November 2020	16 November 2020	In Logan Planning Scheme v8.0
